Adventures.

VA Dept. of Transportation, 2016

Research & Web Design / Charlottesville, VA

On top of a hill with an integrated research team, I produced 2 economic reports and redesigned the library website for the third largest transportation agency in the country.

MADE Agency, 2015

Web Development / Cape Town, SA

A refreshing adventure of building Cape Town Electronic Music Festival's electronic press kit, Nike Tech Pack product launch research and lunches in the historic Waterkant.

UVA Transit Services & Camp Trucking, 2014-16

Bus Driver / U.S. East Coast

Picture college late nights spent on big blue buses with 60 college freshmen eager to get to their dorms, then summer sunrises fetching thousands of duffle bags along the Northeastern mountains for Jewish-American campers.

Exhibitions.

Sediment Arts, 2017

Now See Us, Hear Us - Richmond, VA

Current Studio, 2016

Utopia - Oklahoma City, OK
